Explanation of Responses:

- All outstanding shares of non-voting common stock and shares of non-voting common stock underlying outstanding equity securities will convert into an equivalent number of shares of the Issuer's common stock immediately prior to the closing of the Issuer's initial public offering.
- Consists of previously granted restricted stock units ("RSUs") for which the liquidity event-based vesting condition was satisfied upon the effectiveness of the registration statement on Form S-1 filed by the Issuer in connection with the Issuer's initial public offering. Certain of the RSUs remain subject to service-based vesting conditions.
- Includes 140,625 shares of restricted stock subject to the Issuer's right of repurchase.
- Represents the number of shares withheld by the Issuer in connection with the net settlement of the applicable RSUs and restricted stock awards prior to the open of trading on September 19, 2023, which settlement date was determined by the Issuer's board of directors, to satisfy the tax obligation realized upon vesting of such RSUs.
- Each performance right represents a contingent right to receive one share of the Issuer's common stock. The initial performance condition was met, and 150,000 shares vested, upon the effectiveness of the Issuer's initial public offering and the remaining rights will vest upon the achievement of specified market valuations.
